Foreword

Greetings and good afternoon, this is Gyokusajima 38 shiki. As you have read on the cover it's an Akaga book this time. There's nothing but flirting from the beginning till the end of the book but once in a while a day like that isn't bad, right?

A KOTATSU
WAS
DEPLOYED.

DORMITORY,

空母寮の

Yes.

It certainly
bring the
heat in
doesn't it,
Kaga-san?

Is it not
enough?

You ate for
the both of
us.

let me
have
more.

*SEX MORNING

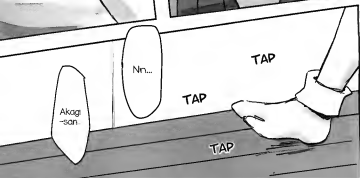

If Kaga-san
eats me, it'll
settle the
score...

Ah, how
about this?
I ate
Kaga-san's
share.

Pardon
my
rudeness

*INSIDE THE KOTATSU

What
is?

MOVING IN

That
was low,
Akagi-san.

How could
I remain
angry at
you?

With those
bewitching
words-

Will you
allow me?

May I
continue,

Akagi-san?

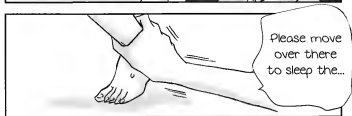

I
love
you...

NNNNN
...

Hmm...
Once in a
while,

Spending a
day like this
isn't too
bad.

With that said,
I'll have a box
worth of Akagi-san!!

Thank you.

I apologize for the lack of tension in the story..Personally I love the Akagi who prefers to be spoiled. My drawing hand bore such feelings but I am confident Akagi-san's princess face is capable of bringing out the excitement on Kaga-san's visage...

I'll attend the yuri only event next March.

I think the sequel of 'Why can't I be with the 1st CarDiv.'

Well then, this is it.

38 Shiki.
